UNIVERSITY

Money Matters

Orientation 2023

Partnership

- Financing an education is a partnership between the student, their family, and the Financial Aid and Office of Student Accounts.
- Webster defines a partner as “a person who takes part in some activity in common with another or others”.
- Our common activity is the financing of the students’ education.

Separation of Duties

- The Financial Aid Office spends the money.

Questions about the financial aid application process, checking on the status of aid, and all other financial aid questions.

- The Office of Student Accounts collects the money.

Questions about Statement of Account and amounts due to the University; book store credits; flex dollars, refunds, payment plans and general billing information.

We partner together with students and families to help finance their education.

Important Financial Aid Deadlines

- Reapplication for financial aid is required every year.
- FAFSA for 2024-25 will not be available until sometime in December. Beginning with 2025-26, it will be available as early as October 1st.
- Holy Family's priority filing deadline is April 1 for the following academic year.
- Students, along with parents, should be involved with completing the forms so they become familiar with them.

Additional Scholarships

- Students may apply for the “Named Scholarships” listed on-line and in our University catalog.
- This application process is separate from applying for other forms of financial aid.
- Applications are available on our web site, www.holyfamily.edu in mid to late October and are usually due in early December. Scholarship recipients are chosen during the Spring semester and the scholarships are used for the following academic year.

Additional Requirements

- By the end of August, Federal Work-Study (FWS) eligible students will receive an email message about finding on-campus positions. This email will be sent to their Holy Family email account. They may also review the document “How Does FWS Work at Holy Family University?”, located at the web site listed below.
- Additional forms for FWS will be required and instructions for obtaining them will be on the FWS contract (W4, I-9, Workmen’s Compensation and PA residency certification). The I-9 form requires specific original forms of identification. All of these forms are available at <https://www.holyfamily.edu/admissions-aid/financial-aid/federal-work-study-program>. Students may wish to complete these during the summer and have them ready when they begin school.
- FWS questions? Email work-study@holyfamily.edu.

Additional Requirements

- The Office of Student Accounts utilizes a servicer for processing Nursing Loans (University Accounting Service – UAS). UAS will send emails to the student's Holy Family email account, for all **Federal Nursing Loan** recipients with information about signing the promissory note (<https://www.uasconnect.com/auth/register>).
- The promissory note must be signed prior to the Federal Nursing Loan disbursing to the account. Students cannot go to the web site and sign their promissory note for this until they receive the email from UAS.
- **Federal Direct Loan** recipients must complete entrance counseling prior to the loan disbursing to the account. If the entrance counseling has not yet been completed, it can be completed on-line at www.studentaid.gov, select “Loans and Grants”.

Satisfactory Academic Progress (SAP)

- Students must maintain Satisfactory Academic Progress to continue to receive any form of financial aid including student loans.
- The Presidential Scholarship, Trustee's Scholarship, Dean's Award, and University Award also require that students maintain a specific cumulative grade point average (GPA) for renewal.
- We check SAP at the end of every Spring semester.

Satisfactory Academic Progress (SAP)

- It is important that you are familiar with these requirements and understand how academic performance can jeopardize a student's ability to receive financial aid in subsequent years.
- It is also important that you realize how dropping courses during the semester can also jeopardize a student's ability to receive financial aid in subsequent years.
- Detailed information about our SAP policy can be found in the University Catalog.

User Proxy

Students can authorize access for their parent(s) or third parties to view information or make payments in our system. The access is available in several areas of our website – here is one area you can find it
